Conference Overview

The conference will convene CEOs, senior executives and government officials from the nation's largest employers, hospitals, health systems, health plans, pharmaceutical and biotech companies, and leading government agencies. Renowned authorities and practitioners assemble to present recent results and to develop innovative strategies that foster the creation of a cost-effective and accountable U.S. health care system. The conference agenda includes keynote panel discussions, authoritative industry speakers, international best practices, and recently released case study data.

AARP CEO [William D. Novelli](#) will speak to "CMS' Vision on Quality Standards" on Monday, April 23 at 2:40 p.m.
