**Other Thought Leaders**

**Ralph Bernstein**, Senior Vice President and Business Leader, **U.S. Bank's Healthcare Payment Solutions**

**Bill Crounse, MD**, Senior Medical Director, Quality Management, **Microsoft Corporation**

**About The World Healthcare Innovation and Technology Congress**

Now in its sixth year, the World Health Care Innovation and Technology Congress has gathered senior-level executives from the nation's leading hospitals, health systems, medical groups and health plans. The program serves as a platform for executives staked with making multi-million IT decisions to gain an in-depth understanding the applications in health care. WHIT is sponsored by Kaiser Permanente, MedPlus, Blue Iris, Intel, TSYs Healthcare, Axolotl, GeaCom, Covisint, FormFast, Patient Keeper and Social Security Administration.
